

Peace Prayer Lyrics (Sanskrit & English):

Sarvesham Svastir Bhavatu (May all experience well-being)

Sarvesham Shantir Bhavatu (May all experience peace)

Turn the World to Love

Sarvesham ... (For all)

Turn the World to Love

Shanti Peace

We make it praying for the others

Living with an open heart

Bringing out the love that's inside

Shanti Peace

We show our love for one another

Taking time to make the peace

Seeing all the world as divine

Sarvesham Svastir (For all, well-being)

Sarvesham Shantir (For all, peace)

Here we go

Shanti Peace

We got to honor one another

Open up the door to peace

Understand and know that it's time.

Shanti Peace

It's what we all can do together

Touching every one with love

Seeing all the world as divine.

Sarvesham Svastir Bhavatu (May all experience well-being)

Seeing all the world as divine

Sarvesham Shantir Bhavatu (May all experience peace)

Seeing all the world as divine

Sarvesham Purnam Bhavatu (May all experience perfection)

Touching everyone with love

Sarvesham Mangalam Bhavatu (May all experience auspiciousness)

We show our love for one another

Shanti Peace

We all can make it happen

Standing up to raise the bar

Waking up the love that's inside

Shanti Peace

We make it serving one another

Lifting others with our love

Seeing all the world as divine.
